GROWTH IN  
SUPER-PREMIUM  
SINCE 2003

In 2025, more than 4.5 million 9-liter cases of Irish Whiskey were sold in the United States, generating nearly \$1.1 billion in revenues for distillers.

The Irish Whiskey category has benefited from drinkers' desire to "trade up" from Premium to High-End and Super-Premium products. Since 2003, High-End Premium and Super Premium Irish Whiskey grew a staggering 766% and 1,875%, respectively.
